

# **Smoky River Soccer Club**

## **Player Equipment Policy**

The Club strives to provide each registered player with a Club jersey. The Club may choose to supply shorts and socks. As this equipment remains the property of the Club at all times, damage or loss of any equipment will:

- be subject to a return deadline of July 15 annually;
- be subject to parent/guardian cost to replace jerseys at a value of \$30, shorts at \$10 and socks at \$5 each;
- be recouped by the Club by invoicing parent/guardians. The Club maintains no responsibility to provide additional requests for jersey return following July 15 and parents/guardians will be invoiced after July 15 regardless of whether or not the jersey is ultimately returned.
- parents/guardians responsible for a child's jersey who do not return the jersey and do not pay the replacement fee will not be permitted to register their child in the next playing season (including indoor soccer);

Players, under direction from parents/guardians will care for and wear the club jersey with respect and are expected to maintain the jersey in a clean condition at all times and upon return at season's end.
